This stunning triple sided unit can be placed in the center of a room or positioned to one side to create a fabulous room divider. No matter where you are in the room the D1000 EPI Chazelles fireplace offers magnificent view of the fire. The 3 large retractable doors sliding up out of view at the same time is unique and unequalled system proposed by Chazelles in Australia . The D1000 EPI can be encompassed in any surround design you desire , its clean and uninterrupted line is enhanced by the use of a clever removable handle . A hot air ducted system allows you to infuse warmth into every corner of every room and a beautifully conceived ash extractor makes cleaning a matter of consummate ease . With the D1000 EPI you need only to imagine possibilities
